

AHIMA
Convention
& Exhibit

2011 SALT
LAKE
CITY

October 1–6, 2011

Reaching New Heights in Health Information

- » Learn best practices, get new ideas, and brainstorm with peers and knowledgeable industry speakers
- » Engage with other attendees at multiple networking events
- » Discuss the latest resources, products, and services with a variety of exhibitors
- » Earn a year's worth of CEUs in one week

As the pace of HIM transformation accelerates, so must the skill and knowledge of those who teach, manage, and regulate health records and data.

At the 83rd AHIMA Convention & Exhibit, align yourself with current and emerging trends in HIM in one of the most inspirational settings in the United States—beautiful Salt Lake City, UT.
