Coding Roundtable/Let's Talk About It

Susan Roehl, RHIT, CCS and Sue Rohde, RHIT, CCS-P
Consultants - EideBailly
1 CEU – *Clinical Data Management*

In this session, members will discuss coding issues and any other emerging issues they would like peer-to-peer input on. Please send your coding questions to Sue Roehl at sroehl@eidebailly.com.

If you have any other questions you would like to discuss, please send these to Jeanne McGuire at jeannem@standrewshealth.com. Some topics we will be discussing are: 1) When is a discharge summary not required? 2) Is the HIM dept responsible for completion of birth certificates? 3) Are observation charts handled like acute care charts? 4) What process/references are people using for updating business associate agreements? 5) Do facilities require co-signatures for mid-levels other than residents and med students?

1:00 p.m.

Legislative Manual Post-Conference Meeting

Debi Nelson, RHIT – Director of HIM – Trinity Health – Minot, ND
External Forces CEUs to be determined after the meeting

Anyone who has signed up to review and revise part of the Legislative Manual should attend this meeting.
